A new addition to Forest Home Park

11-2012

Heather Acheson/Post-Record

A celebration of new playground equipment installed at Forest Home Park in Camas was held Saturday morning. The purchase of the structure was funded through a Parks Foundation community grant, which was sponsored by Waste Connections with support from Northwest Playground Equipment. Lacamas Little League also donated funds toward installation. Pictured above are (left to right) Cheri Martin, Parks Foundation executive director; Scott Higgins, Camas mayor; Scott Campbell, Waste Connections government and community affairs manager; Alex Williams, Northwest Playgrounds sales consultant; Brent Erickson, Camas Parks Commission president; and Melissa Smith, Camas city councilwoman. Forest Home Park is located at Northwest Sixth Avenue and Logan Street. Its amenities also include two Little League fields, concession stands, one-half basketball court, picnic tables and play areas.
